Your Gateway to Vietnam

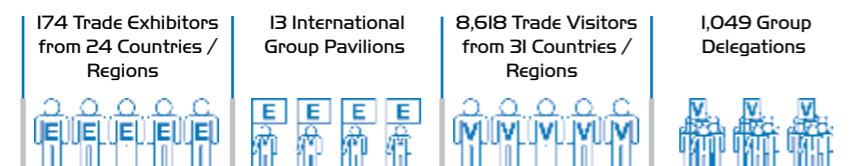

Extend Your Business Presence in Vietnam's Dynamic Plastics And Rubber Markets

The upcoming edition of Plastics & Rubber Vietnam marks the 9th instalment, and continues on the upward climb as Vietnam's most prominent event for the plastics and rubber manufacturing technologies sectors. The International Plastics and Rubber Technologies and Materials Exhibition, Plastics & Rubber Vietnam, returns to Ho Chi Minh City in 2020. Showcasing a comprehensive range of global technologies and equipment, plastics and rubber products, including semi-finished products to technical parts, the trade exhibition in Hanoi also features production materials and services catered for the industry in Vietnam and the region.

Join us at the region's premier trade exhibition for the plastics and rubber industries today!

A look back at Plastics & Rubber Vietnam 2018 (Ho Chi Minh City)
